- TheDream.US is the largest college access and success organization for undocumented students in the country. Currently, we serve close to 3,000 students in the nation.
- We are looking to give 100+ scholarships to Bay Area high school and community college graduates this year. Historically 35 to 40% of students who apply receive our scholarship.
- Scholarships are based on financial need and are for up to \$29,000 towards a Bachelor's Degree. The scholarship is renewable each year until a student's funds run out.
- We have partnered with 6 colleges in the Bay Area to offer scholarships to undocumented students to attend one of these six colleges. Students must attend these colleges to receive our scholarship:

UC Merced
SFSU
Sonoma State

UC Santa Cruz
SJSU
CSU East Bay
