2. Complete one of the following courses with 3.00 GPA

<b>UC Davis Courses</b>	<b>SRJC Courses</b>
Biological Sciences 2A OR Biological Sciences 2B OR 2C	Biology 2.1 OR Biology 2.2 AND 2.3

Davis strongly recommends that students complete the entire biological sciences series, as the series is a prerequisite for many upper division courses. Students must take courses for a letter grade, with no grade less than “C” with the following provisions:

- a. If only one comparable UC Davis Biological Science 2 series course has been completed, that course must be completed with a B grade or better. If multiple courses are required to be comparable to one UC Davis Biological Sciences 2 series, the combination of those courses must be completed with a 3.00 GPA.
- b. OR Courses comparable to two or more UC Davis Biological Science 2A/B/C courses can be completed with at least a 2.50 GPA.

Additional Recommendation:

It is strongly recommended that students complete the following courses. Completion of these courses will help the student move more efficiently toward graduation. Courses must be completed with no grade less than "C".
