

SRJC Transfer Students

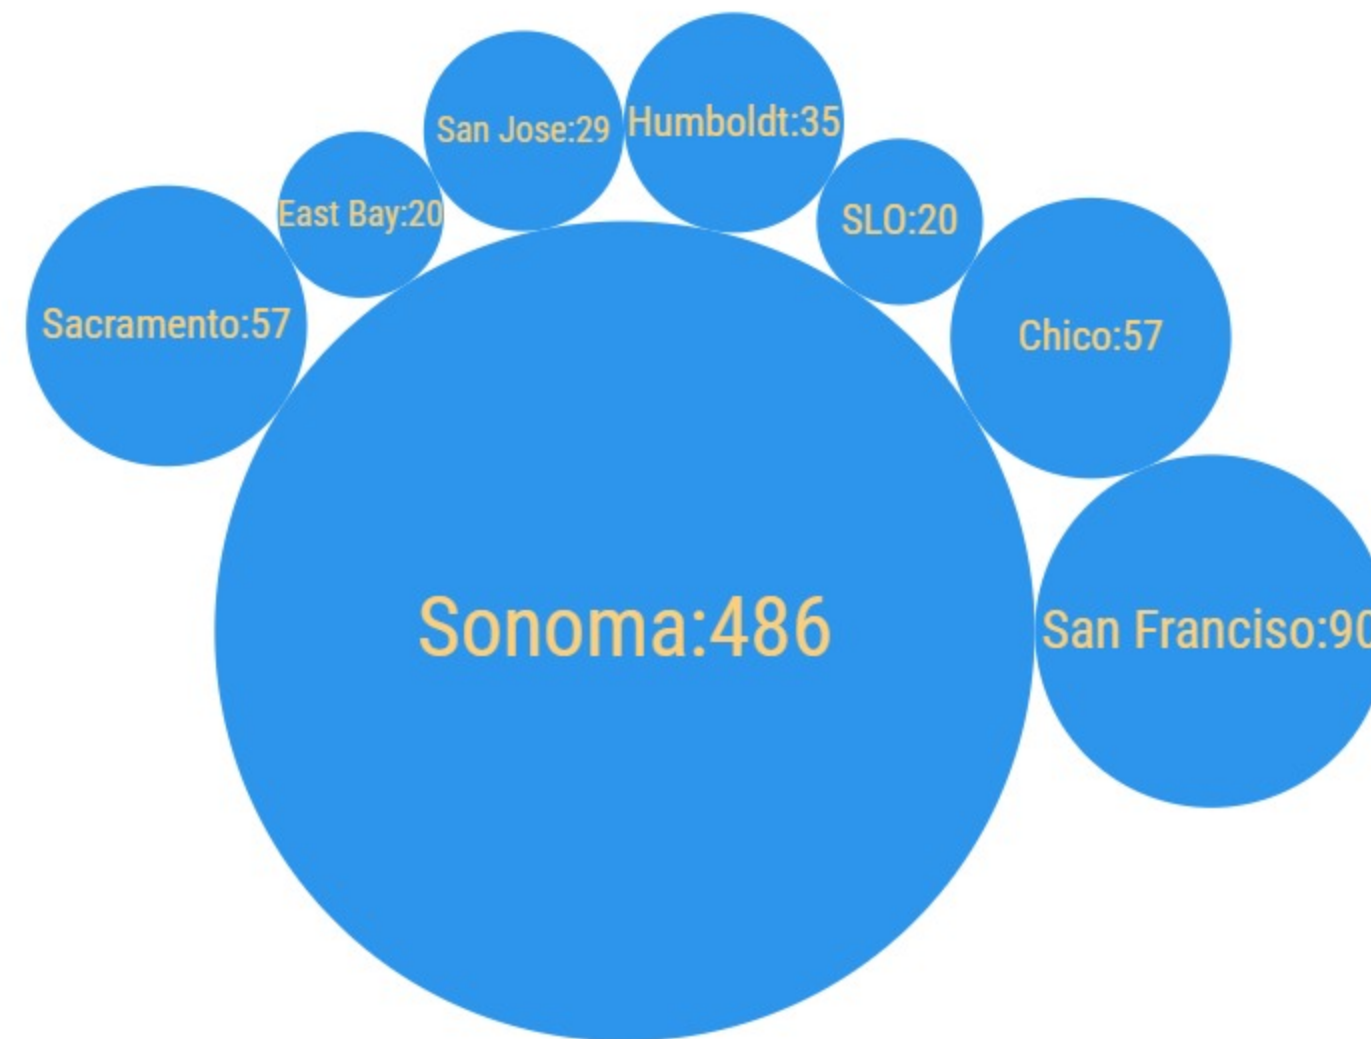

2015-2016

In the 2015-2016 academic year, 1,495 SRJC students transferred to a 4-year college or university. Over half (58%) of those students enrolled at a California State University. One-fifth (21%) transferred to an out of state college, one-sixth (16%) attended a University of California campus, and 5% attended an in-state private college or university.
