- Students who are currently enrolled at a high school

### **More Tips:**

- Choice of major is not guaranteed through TAG unless the major is listed under "UCSC TAG Major Preparation Selection Criteria". See UCSC TAG Web Site for additional information.
- Non-native speakers of English must demonstrate proficiency in English (see complete UCSC TAG guidelines for details).
- A Student with a TAG must submit an application for admission and insight questions during the November 1 - 30 priority application period.
- Notice of changes in progress and planned coursework must be in writing and include the student's complete schedule (not just courses added and dropped).
- PE *Activity* courses - 4 units will transfer and the grades for the best 4 units can be used. Most Phy Ed courses are considered *Activity* courses. Some ATHL courses are also considered *Activity* courses and are subject to the same limits; others are considered *Theory* and subject to higher limits. There are no limitations on the number of units for DANCE courses.
- Transferable courses from all colleges attended must be used to determine the UC transfer GPA.
