

BACHELOR OF SCIENCE IN Career and Technical Studies

Degree Completion Program

Advancing career pathways for today's workforce

What can I do with a BSCTS degree?

Most students continue to work in their current field. However, you can do almost anything you want with your degree. As California faces a shortage of almost a million college-educated workers by 2025, having a degree will open many doors for career opportunity and advancement.

Program Benefits

- ✓ Receive academic credit for your work experience
- ✓ Accelerated course schedules at convenient times
- ✓ Real-world instruction and networking opportunities
- ✓ Personalized student services and advising
- ✓ Receive a Bachelor of Science degree from Sacramento State
- ✓ Springboard to a master's degree
