# UC Davis Fall 2022
# TAG Selective Major Criteria

**COLLEGE OF ENGINEERING** – **requires a minimum overall transferable GPA of 3.50**

The College of Engineering requires that students complete all the lower-division requirements with no grade below a C for the specific major by the end of spring term prior to fall enrollment at UC Davis.

Complete all lower-division major requirements with a cumulative GPA of 3.50 or higher. Before submitting a TAG, you must have already achieved a cumulative GPA of 3.50 or higher in required lower-division major coursework completed.

Students should not submit an Engineering TAG if all required courses will not be completed before enrolling at UC Davis unless the course is not offered at the CCC.
