### GET THE STUDENT PERSPECTIVE

"I had many choices to consider when selecting a school. However, one of the main reasons I chose Pepperdine is that the school's values of purpose, service, and leadership aligned with my professional values. Second, I was looking for a reputable, highly respected school that offered flexibility for working professionals. Pepperdine has been a great experience. The application process was simple, with the support of the recruiters and advisors. I have enjoyed applying the knowledge acquired from the Pepperdine business courses to enhance my career."
