

# UC Santa Barbara Fall 2022 TAG Selective Major Criteria

**Mathematics: requires overall transferable GPA of 3.40**  
(Applied Mathematics and Mathematics)

**Complete the following courses by the end of spring 2022:**

Students must have a GPA of at least 2.75 for the following of courses, with no grade less than “C”. If Math 3A and/or 3B were satisfied with AP/IB exams or with Pass/Credit grades in college courses, then grades in additional pre-major math courses will be used so that two letter grades go into the screening GPA. Refer to ASSIST.org for additional pre-major requirements.

<b>UCSB Courses</b>	<b>SRJC Courses</b>
Math 3A	Math 1A
Math 3B	Math 1B

There are additional courses not required for a TAG or for admission that must be completed to meet all lower division major preparation requirements. Students are initially admitted to the pre-major.
